Children will be grouped with others of their own age/grade. Everyone will be directly supervised by our experienced adult counselors. Weather is not an issue as we have indoor and outdoor activities. Campers should bring a hat, bug spray, sun block, water bottle (no glass) and a lunch each day for 4 days. We will provide snacks every day and lunch on the last day. Everything needs to be labeled with the camper's name. We have limited fridge space, so their lunches should be in paper bags with their name on the bag.

Clothing should be weather appropriate. Closed toed shoes are required, no sandals or flip-flops. Cell phones, if brought, will be kept in the child's backpack inside the Inn.

Our Pioneer camp offers indoor and outdoor fun, with activities designed to teach the campers about our history while playing games, doing crafts, hiking, gardening, nature and more.
